

Our members come from all walks of life. They share a love of the natural world and enjoy the challenge of capturing on film and digitally the many aspects of nature. We have members who create dramatic landscapes, others who produce stunning close-up portraits of plants and insects, and others who push the boundaries of photography and create surreal images using the colours and shapes of nature. Above all we have fun and realise that learning is a lifelong activity.

**We meet on the third Monday of the month at
Hancock Hall in Hillmorton
20 Tankerville Rd
(previously Hoon Hay Working Men's Club)
at 7:30pm**

Subscriptions: Individual \$50/year | Family \$80/year

For further information on our activities please email:
natureph@naturephotography-nz.org

Mailing Address: PO Box 8479, Christchurch

Objects of the Society

To promote the advancement of nature photography in New Zealand. Nature photography to us means all aspects of the natural environment, including landscapes, flora and fauna, and close-up photography.

To promote friendship, cooperation and the exchange of information and ideas about nature photography among the members of the Society both within New Zealand and overseas.
